

Venture Fleet List 1945 - 1950

Venture of Basingstoke was acquired by Red & White United Transport in 1945 together with nearly 50 vehicles. On the sale of the Red & White group to the state in 1950, Venture was transferred to Wilts & Dorset and the fleet name Venture ceased.

Vehicles marked * in the "Out" column passed into state ownership with Wilts & Dorset in 1950 and "Out" dates are from Wilts & Dorset. Any rebodysings etc. carried out after transfer to Wilts & Dorset are not listed.

* Original Vickers FB32R body removed before sale to Venture

Between 1941 and 1944 a number of double deck buses were loaned from other operators to cope with the wartime shortage of vehicles and were allocated temporary numbers in the Venture fleet. Many of these vehicles were still with Venture when the company was acquired by Red & White.
